

Tree Planting Scheduled

Over the past seven years, River Park Tree Canopy Project volunteers have planted over 180 trees in our neighborhood. Trees are free and come from The Sacramento Tree Foundation who in turn, receive them from a program sponsored by SMUD.

The next tree planting will be held on Saturday, Nov. 20th. The River Park Garden Club, represented by Lee Ruth (who is on the project Advisory Committee) has been involved since the beginning of the project providing one or more planting teams for each planting session. Ruth and other RPGC members (right) during one of the tree planting sessions.

Efforts are under way to locate homeowners who need trees. The deadline to sign up for free trees during the 2021 planting is September 24. Participants will be contacted directly in October by a representative of the Sacramento Tree Foundation to determine the variety of tree/trees and planting locations.

The day before the planting the trees will be delivered to the homeowner. If you are interested or know of someone who might be, please contact Lee at 916-457-6529 or email
